I hereby give permission for _____ to participate in all programs and activities of the Bourne Community Boating, Inc. (BCB), including transportation to and from events. I understand that my child must pass a basic swim check in order to participate in a program. However, I understand that the ultimate decision as to whether my child's swimming ability is sufficient for my child to safely participate in the BCB programs and activities is mine. I have determined that my child is capable of participating in the BCB programs and activities.

In making this decision, I understand that there are risks inherent in sailing, sailboat racing, rowing, kayaking and other water-based and land-based programs and that accidents can occur on the water as well as on land during any BCB program. Such accidents can result in serious personal injury including death and property damage.

SAILING SAFETY POLICY AND STATEMENT OF UNDERSTANDING
Parents please read and sign with your child.

The sailing course you are about to begin is an exciting opportunity and challenge to develop sailing skills. Sailing takes place in an environment that is potentially dangerous. It is the responsibility of every student to act at all times with the safety of all foremost in their minds. These rules are intended to provide a safe and enjoyable sailing environment. The following rules are specific requirements that **shall** be followed at all times:

1. This form shall be completed, signed by a parent or guardian, and returned to BCB. The attached registration form, immunization records, physical examination report, "Certification, Authorization, General Release and Indemnity Agreement," shall be included with the application.
2. All students shall wear bathing suits and are required to wear sneakers, or other closed-toed shoes (that will get wet) to prevent injury. It is recommended that students bring other weather appropriate clothing such as a sweatshirt or light jacket, sunglasses, hat, and a towel. BCB encourages students to wear SPF 30+ sun block on all exposed skin to prevent sunburn.
3. Personal flotation devices (PFDs - life preservers) shall be worn (properly fitted and fastened, including a whistle) by all students and Instructors at all times while on the water, docks, and floats. **Note: Students must provide their own PFDs.**
4. Each applicant shall pass a basic swim check at the start of the program. The swim check will consist of treading water for 2 minutes (without life jacket) and swimming 50 yards wearing a life jacket.
5. The above list cannot be comprehensive. When in doubt, all students must act in such a way that their personal safety and that of others is not jeopardized by their actions or lack of actions. The student understands that upon entering this sailing program he or she agrees to obey all program rules here and as set forth by the instructors, that I will use the utmost care in the use of the boats and equipment, and that I will not engage in any horseplay or other disruptive behavior.

I have read the above Safety Policy and Statement of Understanding. I and the student agree to act in accordance with both the spirit and the letter of the rules.

CODE OF CONDUCT

It is the goal of Bourne Community Boating's Youth Sailing Program to provide a healthy, safe, and secure environment for participants. All participants are expected to follow the behavior guidelines and to interact appropriately in a group setting.

All participants of BCB programs are expected at all times to:

- Remember safety is the top priority
- Demonstrate mutual respect for all sailors, instructors, parents, and any other person.
- Exhibit respect for all equipment and property, whether it is yours, the programs, or anyone else's.
- Uphold zero tolerance for verbal and/or physical threats and/or physical abuse.
- Uphold zero tolerance for the use of alcohol, tobacco and non-prescribed drugs.
- Uphold zero tolerance for any weapons or sharp instruments that are used to threaten or hurt others.
- Follow the fundamental rules of fair sailing and display good sportsmanship on the water or on land at all time.

When a child does not follow the behavior guidelines, we will take the following steps:

1. Staff will redirect the child to more appropriate behavior and the child will be reminded of the behavior guidelines and BCB rules.
2. If the behavior continues, a parent will be notified of the problem. The staff will document the situation. This written documentation will include what the behavior problem is and the corrective action taken.
3. If the problem persists, staff will schedule a meeting with the parent, child, staff and the Executive Director.
4. If a child's behavior at any time threatens the immediate safety of that child, other children, or staff, the parent may be notified and expected to pick up the child immediately.
5. If the problem persists and the child continues to disrupt the program, Bourne Community Boating reserves the right to suspend or expel the child from the program at any time.
6. BCB employs a zero tolerance policy with regards to prohibited substances and activities including illegal and unprescribed drugs, alcohol, tobacco, other controlled substances and firearms. Violation will result in immediate dismissal from the program.
7. No refunds or pro-ration of fees for suspensions or expulsions in connection with misconduct.

I have reviewed with my child the Bourne Community Boating Code of Conduct. I understand and agree to all of the terms presented.

Participants are expected to comply with both the letter and the spirit of this Code of Conduct.
