

BCB Summer 2022 Program Schedules

Welcome to the Bourne Community Boating Program for the summer of 2022! We are excited to be planning a return to the fun and enriching programming that has shaped our past.

The leadership at BCB continues its hard work to build a strong and diverse staff that can meet the sailing needs of all our membership. At *this point* in our planning, our staff rosters are incomplete and classes are limited. As we acquire more staff these offerings and sizes can grow. In meantime, any students over the age of 7 are welcome to enroll in appropriate sailing instruction.

SCHEDULE:

The 2022 Summer Program will be a hybrid Block model that will cover the 8 weeks we have traditionally provided. This Block schedule is intended to engage as many young learners as possible given our current constraints. This 1:3:3:1 format is also designed to meet the different summer scheduling needs of our families. Until our staffing increases, please understand that students can register for *only 1 block*.

Each Block will offer Beginners, Advanced Beginners (8:30-12:00 pm) and Intermediate classes (1 -4:30 pm). Please review the “[What Level is Best for My Sailor](#)” info to help inform and guide appropriate selections.

BLOCK 1 June 27 - July 1

BLOCK 2 July 5 - 22

BLOCK 3 July 25 - August 12

BLOCK 4 August 15 - 19

FEES:

REGISTRATION FOR BEGINNER, ADVANCED BEGINNER AND INTERMEDIATE SAILING CLASSES WILL OPEN MARCH 7, 2022 on the Bourne Community Boating webpage.

When current classes are full, registered students will be waitlisted and automatically notified as spaces become available. No fees will be processed until the student registration process is completed (including advancing from Waitlist to Active Registration)

Our intent is to also provide Adventurers and Learn to Race (afternoons) and weekly Mummichogs (mornings-ages 6-8) sessions. These classes will be open for registration later in the spring and are subject to staffing increases.

Thanks for your understanding as we strive to rebuild momentum for our membership.
