

Bourne Community Boating

The Bourne Sailor

November 2020, Volume 14

Dear BCB Supporter,

Welcome to the fourteenth edition of the Bourne Sailor, and as you can see, like so many things in 2020, it looks a little different. While it was quiet at BCB this summer, we are working hard behind the scenes now to support our commitment to reopen. We will be back, getting kids on the water, in the summer of 2021!

With our fleet idle in the summer of 2020, we got to help our friends at Buzzards Sailing School host more students safely and maintain social distancing by loaning boats. You might have seen familiar BCB powerboats and prams with BCB names and sail burgees out there. Huge thanks to the BSS community for welcoming our sailors and getting kids on the water safely. We look forward to sharing best practices to make sure BCB is successful in the summer of 2021 too.

We want to send a huge thank you to the individuals, families, businesses and foundations that continued to support BCB through this tough summer. There is so much need in our community right now, and the BCB Board of Directors is truly grateful to those who are able to help us weather this difficult year and build our program to be ready for reopening in the summer of 2021.

The BCB Board would like to thank retiring member Ken Legg for his years of service to the organization, since the very beginning. We appreciate everything you have done and continue to do, and look forward to your continued participation as an advisor.

If what BCB does appeals to you, and if you have a little bit of time to give, we are actively recruiting for Board members. If you share our passion, and want to help introduce more local kids to fun on the water, email us today.

We're also hiring sailing instructors for 2021! Contact us today.
We can't wait to see you on the water next summer.
